Dear Judge Vyskocil:

Please accept this letter as a renewal of the travel request we submitted on behalf of Dr. Kristian Rhein. To begin, I apologize for not including the Government's position on the application at the time that it was filed.

I have spoken with AUSA Andrew Adams, and he has advised me that he consents to the application for bail modification as set forth in my letter dated July 27, 2020. He authorized me to advise the Court of his position. In addition, while untimely, we did provide the Court with Pre-Trial's position regarding this application, and they do not object.

I would appreciate it if the Court would reconsider its position denying the application. Lacrosse is an important aspect of Dr. and Mrs. Rhein's family activities. These tournaments offer high school students an opportunity to showcase their skills to college recruiters.

The children look forward to their family's support, especially during these difficult times.

Thank you in advance for your reconsideration of this important application.

Respectfully submitted,

*Stephen P. Scaring*
